26th March 2018

Dear Parents,

As you are aware our school was visited by Ofsted on 13th March. The inspection was classed as a short 'Section 8' Inspection, and we are delighted to inform you that the inspector judged that we continue to be a '**Good School**'.

The inspector was extremely complementary about all he saw and heard on the day and was really impressed by the children's attitudes to learning and ability to articulate their learning journey. He also particularly highlighted the positive changes we have made to our curriculum delivery – a curriculum he described as a '**Treasure trove of exciting and imaginative learning**'.

A huge '**well done!**' to all staff, pupils and Governors and thank you to all of you who were so positive in the questionnaires. A special thanks to the parents who had face-to-face contact with the Inspector – he was very impressed by the strong sense of belonging and partnership in school.

We are now delighted to be able to share the final inspection letter with you. As staff and Governors we feel there is much to celebrate and we are proud, like you, to be part of such a successful team!

Many thanks,

Mr. A King
