

This exciting event is open to all students present and past, up to the age of 16.

Join us on the field for what could be the most entertaining and enjoyable event we've held to-date.

The colour powder used at The Colour Run event is all certified non-toxic. The bright colours are a combination of cornstarch, baking soda, and dyes. As with any substance, you want to keep it out of your eyes. Colour throwers make sure to aim low as you pass by. Some Colour Runners opt to wear glasses or goggles for their eyes and use a bandana or dust mask for their mouths. Does not stain. Is washable.

The event is generally non-competitive and the emphasis is on having fun and raising funds. The children run the circuit of the field, whilst the supporters line the route throwing the coloured powder. Ideally the participant wears white for maximum effect.

Entry is £3 per person. Paint Sachets are £1 each. There is no limit to how many you may wish to purchase.

Refreshments will be available during the event.
