Dear Parents

Lavant's Got Talent - Cancelled

Unfortunately although many children expressed an interest in taking part this year we have received very few entries. As a result we have sadly had to take the decision to cancel the event due to the lack of participants.

We would like to thank all the children who did return their entries and who have worked hard on their performances. The School will be arranging a special assembly where they will have the opportunity to share their acts with the whole School and parents.

This is the second event we have now cancelled this term due to a lack of response. Although some of our events are more of a Social event and not about making profit, any profits we do make go towards helping ensure that the children have the latest up to date equipment.

Without all the hard work from the friend's members and parents who give up their free time to help this just would not be possible on the current School budgets. This year alone The Friends have spent nearly £3000 already on new equipment for the children to enhance their learning and help towards the cost of School trips. Unfortunately without the support of all parents it will become more and more difficult to continue to be able to provide the much needed extra funds.

We would welcome any feedback you may have for new events we could hold or reasons as to why there hasn't been the interest in recent events we would have hoped for. Please fill in and return the slip below with your comments.

Many Thanks

Claire Griffiths/Katy Weller
Co-Chairs of the Friends of Lavant CE Primary School
