Dear Parents

What's Washed Up? – Learning Experience trip to Climping Beach

Woodpecker Class will be beginning their new summer term topic after Easter and will be becoming experts on all things 'Pacific'!

To give the children the opportunity to take a close look at a coastal habitat and related issues such as pollution, we are going to take the children to Climping beach Friday 28th April.

We plan to leave school at 9.30am travelling by minibus to Climping and return to school by early afternoon. We are asking for a contribution of £4.00 per child towards the cost of the minibus and insurance. Although the contribution is voluntary, we do need to point out that it is probable that the visit could not take place unless all parents, who are able, are willing to contribute. As a school we do not have the resources to fund these visits totally ourselves. Please do speak to Mr King in confidence if you are unable to contribute on this occasion.

Please ensure on the day that you child has the following:

- School uniform – with sturdy footwear (trainers allowed) suitable for walking on shingle
- A waterproof coat (lightweight if possible)
- Sun cream & sunhat
- A packed lunch (if your child has a free school meal they will have a packed lunch ordered for them but if you pay for meals please ensure you cancel your order with Chartwells)

We trust that the details you have already provided on the off-site permission and medical form are still correct, but please let us know if any of the details have changed. If your child has any allergies which we should be aware of, please ensure that you let the office know well in advance.

I am sure it will be a very interesting and enjoyable trip. If you have any questions, do not hesitate to contact either of us.

Please complete and return the consent slip below with your contribution to confirm that you are happy for your child to participate in this trip.

Kind regards,

Mrs Holden
