

## WHY GIFT AID?

**Please don't worry, we are not looking for money, just your beautiful signatures!**

Firstly, we would like to thank you for all your continued support for The Friends of Lavant Primary School charity, it means so much to everyone involved, most importantly to all the children at the school.

The gift aid form on the following page will help recover back gift aid for the past four years (which we hope will be a nice amount) and the form will also cover any donations given to the Friends over the next few years. Quite simply it means that your wonderful donations and support will go so much further!

Friends of Lavant Primary School is a registered charity, and that means we can reclaim tax from the government. This means more money in the pot!

**For every £1 the school community raise, we can claim 25p back from the government. If we raise £100, we can claim £25 back! So it really does add up.  
The best thing about claiming gift aid is that it won't cost you a penny!**

This money will go towards purchasing vital school resources, school trips, IT equipment, playground and sports equipment and much much more.

Please could we ask you to sign the form & return it to the Friends post box in reception as soon as you can.

Thank you for your ongoing support!

*Friends of Lavant Primary School*
