**WREN CLASS:** Would appreciate any small plastic tubs (e.g. empty vitamin bottles) so they can put seeds inside and make musical instruments.

**HEADLICE:** This is continuing to be a recurring problem. Would **ALL** parents please check their child's head over the weekend and, if they find head lice, please treat as soon as possible as advised on the attached sheet. **Please could we also remind you that girls should wear their hair tied back whilst in school as this greatly reduces the risk of passing on headlice.**
