Tuesday 6<sup>th</sup> May 2025

Dear Pheasant Parents,

On Friday 23<sup>rd</sup> May, Pheasant Class have been given the wonderful opportunity of attending a Maths Enrichment Day at Goodwood Racecourse, the perfect chance for a day of real-life learning before we finish for the half-term. During the day the children will take part in a range of mathematical activities linked to horse racing and also learn about the life of this famous race course.

We will leave for Goodwood by minibus after registration in the morning and will return in time for the end of the school day. Children should be dressed in their school uniform with an appropriate coat and footwear if there is a threat of wet weather. If the weather is good, suncream should be applied before arrival at school in the morning.

All children will need to bring a packed lunch and a drink. *If your child has a hot lunch, please cancel it this week to avoid being charged.*

Please can you give consent on Arbor for your child to attend this event and travel to and from the racecourse by minibus.

If you have any questions regarding this trip or any other matter, do drop me an email or pop in at the end of the day for a quick chat.

Yours sincerely

Daniel Taylor
