

“22 for 2022”

Are you up for the Challenge?

To The Children of Lavant Primary School,

This next half term, we are starting an exciting all-school challenge called “22 for 2022”.

We are asking you to set yourself any challenge with the theme of “22”. Some examples are below, but **please use your imagination, and your skills, to come up with any ideas you like!**

- Do 22 jobs for friends, neighbours or family
- Dance for 22 minutes
- Run, walk, cycle or swim 22 kilometres (or miles!)
- Have a sponsored silence for 22 minutes, (or for 2 days and 2minutes!)
- Run around your garden 22 times
- Do your friends 22 favours
- Think of 22 ways to make people smile
- Score 22 goals against a friend or family member
- Sell 22 things you no longer need!

You will find a sponsorship form attached to this email. We are asking every child to set themselves a challenge, and ask their friends and family to sponsor them. **The class who raises the most money, will get a prize!**

Your parent or Carer can transfer your sponsorship money to The Friends Bank account (*please note, this is a different account from the school bank account*) or bring cash into school in a named envelope along with your sponsorship form on the **last day of the term** – Friday 8th April. The amounts on the sponsorship forms will be added up over the Easter Holidays and the class who raises the most will be announced the winner.

We are also asking if you can take photos of your challenges as you do them, and these can be emailed into the Friends at friends@lavant.w-sussex.sch.uk. We would love to be able to make a collage of photos of your amazing challenges in the library! All money raised will go to The Friends of Lavant Primary School where we are currently raising money for new library books and laptops. We are so excited to see the challenges you set yourselves.

Thank you for your continued support,

The Friends of Lavant Primary School
