18th November 2022

Dear Parents,

We are continually working hard to help our children understand the importance of facing challenges with a growth mindset and developing the skills required to be effective learners. Establishing positive learning behaviours has significant impact on learning and progress for every individual.

We would like to welcome you to an informal parents meeting on Friday 25th November directly after school drop off at 8:45am. At the meeting we will share with you current research relating to growth mindset and metacognition, some of the exciting work we have been undertaking at school, and also how you can help your child to develop positive learning behaviours at home.

We really hope many of you will be able to attend this important meeting and would ask that you complete the slip below and return it to school to help us to provide sufficient handouts and refreshments.

Yours sincerely

Adrian King

Developing Positive Learning Behaviours Meeting for parents – 25th November 2022

I am aiming to attend this meeting
