Wednesday 10th June 2026

Dear Parents and Guardians,

Production season is in full swing and we will be starting our whole school learning journey on Monday 22nd June.

In Wren class, we will be exploring the cave of wonders! Therefore, I am desperately in need of some wonders to explore! I am looking for historical curiosities e.g. telescope, telephone, wooden box, tea caddies, games, paintings, kitchen items and jewellery. It would be wonderful for the children to touch them but this is not essential. They will be using these objects to wonder about - Who did they belong to? What they were used for? Why were they made? These will be returned to you after the 3 week learning journey.

I would also like to source some broken, old things which can be taken apart with screwdrivers. We will be creating a wondrous workshop where the children can wonder about what is inside these objects and how they might have worked.

Any help would be gratefully received from the Wren team. If you have any questions or any objects, please come and see Mrs Totman.

Thank you.

Yours faithfully,

Ali Totman
