

# Annual Autumn Tidy

## Calling all parents...

**When: Saturday 9<sup>th</sup> October 2021**

The Friends are holding their annual DIY and grounds tidying morning on Saturday 9<sup>th</sup> October and would be really grateful if you could spare a couple of hours or so of your time.

This year, we will have our usual annual maintenance tasks; pruning the willow dome, general gardening and planting, but will also have a small number of areas that we would love to improve, that require more specialist knowledge / tools, a list of which will be circulated soon.

If you're able to spare even an hour of your time on the 9<sup>th</sup>, we would be so grateful, there is no pressure to stay for the entire morning.

**Children are welcome to come along, and tea/coffee/squash and bacon sandwiches will be provided to the workers!**

Please bring any gardening tools you may have at home!

Visitors to the school often comment on our beautiful grounds, but they are only maintained thanks to you all! Thank you for your help to enable us to continue to develop a fantastic learning environment for our children.

Please come along and join in what we are sure will again be a fun morning for everyone!

Many Thanks

The Friends of Lavant CE Primary School

*We must have a definite register of all people on site. If you are able to help please complete the attached slip and return it to the school office.*
