11th January 2024

Dear Parents,

We are being visited by BBC South Today on Thursday 18th January as they are running a story on the amazing charity, Business 2 Schools, who played a huge part in supporting our school after our flood in February 2022.

Following the restoration of the building, our school hugely benefited from the work of Business 2 Schools who donated large quantities of furniture and laptops to the school.

Filming by media is covered by our generic photography consent form which you signed when your child started school. We currently do not know which children or groups of children South Today will be looking to film on the day. If you have any concerns about your child potentially appearing on camera for a short period of time, please complete the slip below to opt out of your child being included in any shots.

Kindest regards,

Adrian King
Head teacher
