Dear Parents,

### Invitation to Parent Workshops

Over the course of next half term, we will be running four different parent workshops to help you support your child's learning. Each workshop will outline our approach to teaching and learning in school and how you can help your children at home.

Each workshop will take place in the school hall and we will put out some toys to help entertain any pre-school children.

It is really important for us to know how many people wish to attend each workshop, so that we can plan accordingly. Please tick the workshops that you would like to attend and return this form to the school office by Friday 7<sup>th</sup> February.

Many thanks.

Adrian King  
Head teacher
