IT'S BACK

GOLDEN LEARNING OPPORTUNITIES SPRING 2023

We need **YOUR** help /expertise

'Golden Learning Opportunities' (G.L.O) was an annual favourite at our school before the pandemic hit and we are delighted to be re-launching it this term. The purpose of G.L.O. is to take all children off their usual timetable to enable them to participate in an exciting enrichment opportunity. G.L.O runs for 5 Friday afternoons from 1:30 - 2:45pm and the children work in small groups around the school to learn / develop a new exciting skill. **This excellent learning opportunity is loved by the children, and adults, but can only happen with a great deal of adult support.** If you (or someone you know) would be interested in volunteering 1½ hours of your time and expertise to lead, or help run, an activity for 5 weeks, please complete the slip below and return to the office by Monday 23rd January or speak directly to me. Even if you are not sure about leading an activity, please do not hesitate to speak to me, as we would love you to be involved in some way.

Past activities have included . . .

photography - cooking - knitting - yoga - art - modelling - animation - sport -
scientific experiments- face painting - computing - textiles - woodwork - languages -
drawing - horse riding - bike maintenance, board games...

but the possibilities are endless.

This year the five G.L.O sessions will be on:

**Friday 24th February, Friday 3rd March, Friday 10th March
Friday 17th March and Friday 24th March**

We really do need lots of parents / grandparents /adult helpers
