Wednesday 8th February 2023

Dear Parents,

As part of our upcoming science Learning Journey after half term, we will be taking the children to the South Downs Planetarium to learn about our solar system on Monday 27th February. To keep costs down, we intend to travel to the planetarium by car and would be very grateful for any parents who are able to help transport children to and from the venue (at 10am from school and 1:45pm from the planetarium).

All children will require a packed lunch. If your child has a hot school dinner, please make the necessary arrangements to cancel for the 27th as soon as possible.

We will be subsidising the trip, but would appreciate a voluntary contribution of £4 towards the cost of entry. There will also be an opportunity for children to buy a souvenir in the planetarium kiosk, if children would like to bring a little extra money for that (no more than £3).

Please sign the permission slip below for this trip, and if you have any questions do pop in to ask.

Kind regards,

Dan Taylor

X.....

Trip to South Downs Planetarium Monday 27th February

I give my permission for my child to attend the trip to the planetarium and travel there and back by car.

I enclose a voluntary contribution of £4.
