Dear Parents and Guardians,

Friday 17th July 2026

As the end of the school year is fast approaching, we would like to take the opportunity to thank many people for all their hard work and commitment to the life of our school.

First, we are sure you would all join us in **thanking the staff team and children** for working so hard, and for such an incredible performance of Aladdin JR. Thank you all for your very positive and encouraging comments; we are delighted that you enjoyed the performance and Summer Social so much.

Attainment

A huge well done also to the children in Year 6 who have all achieved very highly this year. We are delighted to announce **our children have attained higher than children nationally in all areas of learning**. It is great to see the positive attitude that all our children have towards their learning, and the very high standards that they achieve. **We are incredibly proud of all the children in Year 6 and wish them all the best as they settle into their new schools in September.**

Our children in EYFS, Year 1 and Year 4 have also equalled or out-performed children nationally in their Early years scores, phonics and multiplication checks. **Well done staff, parents and children.**

End of Year reports

Today your child will be bringing home their end of year report. We are sure you will all appreciate the amount of time and effort that teachers put in to writing a report for every child in their class. We really value your feedback so would be really grateful if every parent is able to return their slip before next Tuesday. It really is important that we have a record of every report being received.

Staff News

At the end of this academic year, Mrs Goman is sadly stepping down from her TA role in Pheasant Class. Mrs Goman, has worked at our school for the last 7 years, and during this time she has given the school so much, supporting the children's learning in class while always contributing above and beyond to our wider school life. Although we are really sad that we will not be seeing Mrs Goman every day, we are delighted that she is staying with us and will continue to lead our PE provision across the school. This means, she will continue to be in school regularly, organising and taking children to sporting events and ensuring our fantastic sporting opportunities remains a strength of our school.

In recognition of our sporting achievement, we are delighted to announce, that having received 'Schools Games Gold Award' for the past four years, we have been awarded the highest Sports Award possible this year. Lavant CE Primary now is able to proudly display our Platinum Sports Award. Huge thank you to Mrs Goman for all her hard work leading our sports provision in school.

The Friends

As always at this time of year we say a great big thank you to The Friends for their constant effort in raising money and organising a huge number of events to enrich the lives of our children and whole school community. We have recently had our wonderful Hobbit House installed and this week have purchased new gazebos, all funded by The Friends. **Thank you Siri, Kate and team for all your amazing hard work and all you do for our school.**

Blue Tokens

We're excited to share that between **Monday 3 August and the end of November** you will be able to vote at three local Tesco's stores for Friends of Lavant School to receive money towards our new sensory room, to support our children with their wellbeing and readiness to learn. The Tesco stores you can vote at:

- Chichester Extra PO19 3JT

The project with the highest number of votes will receive up to £1,500. So, look out for us and we appreciate all your votes!

School volunteers

Thank you also to our fantastic team of volunteers. Whether coming in to listen to children read, helping out in class, transporting children to events or helping out at school trips we could not do what we do without you. **Thank you.**
