We will also be selling refreshments (and any left over ducks) at the Duck Race on Saturday 25th March at Lavant play park.
The ducks will be released down the river at 2pm.

The small print:

400 ducks will be released down the river by the Parish Council, each with a number on them. If we do not sell all the ducks, the winner will be the closest number to the winning number. In the event that the closest number is both the number above and the number below, the highest number will be the winner.
