

1 week to go to complete your 22 for 2022 challenges!

Just a reminder that our challenge ends next Friday 8th April before the Easter holidays!

Please hand your sponsorship forms into the school office on or before Friday to ensure your donations are included in the grand total. Don't forget to write your child's name and class on the top!

The class that raises the most* will win a no-uniform day and 15 minutes extra playtime! The children are very excited about this!

We are encouraging you to transfer your donations to the Friends bank account, rather than bring cash into school (details on the next page.) However, if you have collected cash, please ensure it is with your sponsorship form in a named envelope when handed into the school office.

We would love to see more photos of your challenges, please post them to the Friends Facebook page (it is a private group and will not be used for any other reason without your prior permission.)

Thank you!

The Friends of Lavant Primary School

*an average will be calculated for each class due to differing class sizes

Please transfer your donations to the Friends of Lavant Primary School Bank Account

Account number: 90570737

Sort Code: 20-20-62

Please note that this is a different account from the school's account.

If you have collected cash donations, please bring them into school in a named envelope along with your sponsorship forms.

If we don't receive your sponsorship forms back, i'm afraid we won't be able to include how much your child has raised in the class totals.

Every penny raised will go back to the school to fund essential resources for our children.

Many thanks for your support!
