17th September 2018

Dear Parents,

From now on the children will be starting Phonics sessions every morning through the Jolly Phonics programme. We use this as a vehicle for learning each phoneme (letter sound) and digraph (2 letters that 'bump' into one another to make a new sound).

We learn one letter at a time in a multisensory way. We learn its name, sound and how to form it in our school cursive style. We also learn an accompanying rhyme and action for each sound. Examples of these are found in the blue book that is in your child's book bag. Please support your child in helping them to learn these.

Your child will bring home a letter formation sheet so that you know which letter we have focussed on that day. It really helps if you can support your child by helping them to form the letter correctly and spot things starting with the day's letter.

Many thanks for all your support

J Yelland
