1. Minutes – Approved

OUTSTANDING ACTIONS:

Mrs Yelland is still to confirm the bike hut required for her play area

Rosie Freshwater – iPads to restore for school use

Other Funding:

WSCC have a few grants we could apply for. We would need to be specific with our use & costs, and create a good business plan before we approach them. We need to gather together a working party to organise this. LF & MB showed an interest.

eBay Jumble Sale – some of the goods have now sold on eBay and Amanda was waiting for the list from Clare Williams.
