"What a Load of Rubbish" Exhibit

Dear parents/ carers,

We've all been beavering away since the half term break, learning all about rubbish, the importance of recycling and the problem of plastic waste.

We would like to share all our learning and the information writing we have produced about it in an exhibit next Monday morning, **Monday 6th March at 9am**. So after you have dropped your child off, hang about for 15/20 minutes and come and have a look at all their hard work.

Wren Year 1 parents: your children have prepared a video for you to watch in our shared area. Please also feel free to come and explore the exhibit in Robin class, as your children will have contributed to the learning in here too.

But, be prepared for a lecture! We take no responsibility for how motivated and vocal they have become about these issues!

For those that cannot make it, we will take a video of the exhibit, interview a few children and pop it on Seesaw.

We look forward to seeing you on Monday.

Yours sincerely,

Mrs Totman, Mrs Jenkinson, Mrs Spencer and Miss Allen
