3rd March 2022

Dear Pheasant parents and carers,

Thank you for your understanding with regards to our initial changes in learning location for Pheasant Class this week. The children have, as ever, come back to school in great humour and very positive about adapting to the changes at hand.

We are pleased to inform you that we have managed to find an alternative learning space at Lavant House, which we will be using from Monday 7th March. Lavant House have kindly offered to relocate their gym equipment and let us use their newly prepared studio area as a classroom, giving us sole access to a large enough space, an outdoor area to use, full WiFi as well as the necessary amenities. It also means we are within touching distance of school so that we can still share in key school events.

As ever, drop-off and pick-up will still be at school, and children will walk to their new learning environment on a daily basis. Children will need **wellies or strong outdoor boots** (as well as suitable wet weather gear), and (sensible) **slippers or thick socks** to change into at Lavant House.

Ideally we will eat lunch on site at Lavant House, and our preference would be that **all children bring a packed lunch every day**. If you feel this is not possible and would prefer your child to be brought back to school for a hot school meal, then please do let us know as soon as possible.

Naturally, there will be a little settling in time, but the children are aware that learning at our temporary site will be very much business as usual, and the strong work ethic that the children have shown over recent months will need to continue despite the changes.

Please could you (once more) fill in the below consent form for our records before Monday. Thank you for all your support.

Kindest regards,

Daniel Taylor
