Tuesday 15<sup>th</sup> February 2022

Dear Parents and Carers,

This year is particularly significant as World Book day is celebrating its 25<sup>th</sup> Anniversary. To mark this occasion, we will be holding our World Book Day celebrations on **Tuesday 1<sup>st</sup> March 2022**. Please make a note of this date as it is **the day after our return from half term** and following an INSET day.

On this day, your child may dress up as their favourite character from a book and bring in the book to share with the class. During the day, we will be celebrating reading in classes across the school and sharing lots of books too.

We have also given your child a World Book Day voucher today so that you can visit a book shop over the holidays and exchange your voucher for one of the free books created especially for World Book Day or have £1 off your purchase of an alternative book.

Reading is such a special part of our school and we are committed to growing passionate readers. If you would like some inspiration for which book to read next with your child then here are a few places you can get some inspiration...

We are also introducing a new feature in our monthly newsletters, where we will be sharing book recommendations with you.

We still have an Amazon wish list, which if you feel you would be able to purchase a book for the library, then we would be extremely grateful.

All of the books on our wish list are recommendations we have had or new books by authors we know and enjoy so it is also full of great books you might like to buy for yourself or take home from the library.

We are hoping we will be able to have parents in for a reading event in the summer and for you to come and share books with the children.

If you have any questions or would like to help, then please see Mrs Totman.

Happy reading!

Mrs Totman
