Monday 7<sup>th</sup> March 2022

Dear Parents,

Thank you once again for your kind words of encouragement and offers of help following the flood in school last week. We are now gaining a clearer understanding of the damage caused, and the steps that need to be taken to get the whole school back into operation again.

All rooms have now been stripped out allowing the drying out process to begin. Heat mats have been laid on the floors and will be running for twenty four hours a day for the next few weeks. Once floors are sufficiently dry we can begin the process of re-fitting each classroom. We are really hoping to be back into classrooms by Easter, but this will be dependent on the time it takes for the school to fully dry out.

You will have noticed the container units at the front of the school that are now storing our undamaged resources and furniture. Pheasant Class now has a temporary classroom set up at Lavant House and will be travelling to and from Lavant House each day for their lessons. All the children are showing true resilience and adaptability and have settled into their new learning spaces remarkably well.

I will keep you up to date as the restoration process continues but in the meantime below are a few photographs of our journey over the past week.

Kindest regards,

Adrian King
