

INSTRUMENTAL & VOCAL LESSONS

with Inclusive Music and Movement

at Lavant Primary School

Inclusive Music and Movement (IMM) provides opportunities for children and adults to receive music tuition, ensuring a unique and tailored learning experience for every student. As many of you will already be aware, engaging with music and learning an instrument have numerous benefits, not only educationally but physically, socially and personally too.

We are so pleased to be working alongside Lavant Primary School providing paired and 1:1 lessons. Currently we offer the following lessons at your school; drums (and hope that guitar lessons will be back very soon).

If you are interested in lessons, we would love to hear from you. Lessons are taught on either an individual basis or in a pair where numbers allow and are charged at £16 and £10.50 respectively, per 30 minutes. Flexible payment options are offered. Please use the sign-up form on our website to register your interest:
