

Lavant School Library bring and buy book sale

Too many books on your bookshelf? Read them so many times you know them off by heart? Fancy some new adventures, then our bring and buy book sale is for you!

On **Friday 02 March** we will be holding a bring and buy book sale to raise funds for new library books.

How it works:

1. Sort out all your old books that you no longer want (as many as you can carry!).
2. Bring them in to the school library any morning this week and place them into the collection box.
3. Bring your pocket money to school on Friday and during the morning all classes will get the opportunity to browse the collection of books and buy any of interest. Prices will range from 10p - 50p.

You don't have to buy any books if you don't want to.

Many thanks for your support,

Ruggins
