6<sup>th</sup> June 2019

Dear Parents

To support the children's learning in our new Learning Journey where we will be comparing The South Downs National Park and the Serengeti National Park, we have planned for Woodpecker Class to go on a walk up to Kingley Vale to spot the different habitats of the South Downs. This will be on the afternoon of Thursday 13<sup>th</sup> June, leaving school at approx. 1.00pm.

In order for there to be no cost for this trip we will be transporting the children to the walk via staff and parent volunteer cars and are asking for parents to collect their child/ children from The Kingley Vale car park at 3.00 pm. If you have a problem with these collection arrangements please do let us know in advance and we will make alternative plans to transport them back to school for the end of the day.

**On the day children should wear their full school uniform (Class photos in the morning!),** bring a light raincoat (sun hat/sun cream) and comfortable shoes suitable for a longish walk. Please could you also provide your child with a small backpack so they can bring their school water bottle.

Please return the consent slip below. We trust that the details you have already provided on the off-site permission/medical form are still correct. Please do let us know if any of these details have changed.

Yours sincerely

J. Upjohn
