5<sup>th</sup> January 2023

## Dear Parents,

Welcome back to an exciting new school term. On behalf of all the staff a very big **THANK YOU** for all your generous Christmas wishes, cards and presents, they were very much appreciated. It was lovely to see so many of you towards the end of last term - whether at our performance of Babushka, KS2 Carol Service, or our Christmas Music Assembly. I hope that you all had a great Christmas and that your child is ready for an action packed spring term!

## SPRING TERM OVERVIEW MEETINGS AND 'DROP IN' OPPORTUNITIES

As always, during the second week of term, each class will be holding their termly overview meetings when teachers will outline the exciting `Learning Journeys' planned for the term ahead. We do hope you will be able to attend these short meetings to help you prepare your child for the coming weeks at school and ensure you are well informed about the term ahead.

## **Termly Overview Meeting dates are as follows**

Woodpecker Class	Monday 9 <sup>th</sup> January
Wren Class	Tuesday 10 <sup>th</sup> January
Pheasant Class	Tuesday 10 <sup>th</sup> January
Robin Class	Wednesday 11 <sup>th</sup> January

Please remember that you are welcome to drop in any day after school to see your child's learning and all parents have the opportunity to more formally meet with their child's teacher at our spring term parent consultation meetings which will be held later in the term.

#### POLITE ANNUAL REMINDERS

It is customary at this time of year that many of us make New Year's Resolutions; to set ourselves goals or to improve an aspect of our lives. Below are my annual reminders of important school routines and expectations that, you, or your child, may like to focus on in the coming months.

## **ARRIVAL AT SCHOOL**

Please ensure that your child is on the school grounds and ready to enter the school doors at 8:45am so that their learning time is not lost. From Monday 9<sup>th</sup> January, the school gates will be shut by 8:50am and any pupils arriving after the gates are shut, must be **accompanied by an adult** and enter the school building via the main doors. Parents of any child arriving after the gates are shut, are required to sign the late book and provide a reason for lateness. Although it may be only a few minutes each morning, arriving 5 minutes late

each day equates to 25minutes of lost learning a week and, over a whole school year, this adds up to an astonishing 16.25 hours of lost learning.

**Absence** – If your child is absent from school for any reason please ensure you telephone or email the school office each morning of the absence explaining why your child is not present. In line with the Chichester Locality Absence Policy, all absences are treated as unauthorised unless (or until) the school agrees on a satisfactory explanation.

## HEALTHY LIVING

**Drinking water -** Every child must have their school water bottle in school every day to enable them to drink regularly and keep their brain hydrated. All bottles must be taken home every weekend for a thorough wash. New bottles can be purchased for £2.00 from the school office if you need a replacement. **Please note that water bottles must be filled with water, not squash/juice.** 

## **Healthy Eating**

Recent research suggests that half of children's sugar intake comes from unhealthy snacks and sugary drinks, leading to obesity and dental decay. A recent government survey found that on average, children are consuming at least three unhealthy snacks and sugary drinks a day, with around a third consuming four or more. The overall result is that children consume three times more sugar than is recommended, the survey results find. Remember that sweets / pure chocolate bars are not allowed in school lunch boxes. Encourage your child to try out some healthy alternatives this year!

## Nut Free School.

Please remember that we are a nut free school and do have a number of children and staff members who have significant nut allergies. Last term we found a few children were having Nutella in their sandwiches which puts other children at risk. Nutella not only contains 13% nuts but also over 50% of the ingredients is sugar and palm Oil. Please can all parents ensure Nutella, or any other products containing nuts are not included in their children's packed lunch.

#### **GOLDEN LEARNING OPPORTUNITIES (G.L.O)**

We are delighted that we are aiming to relaunch 'Golden Learning opportunities' again on Friday afternoons in the second half of this term. Spring term GLO has been a long-standing tradition at our school but sadly, we have not been able to run this initiative since 2020. Please look out for further information as to how you can be involved in the next couple of weeks.

#### **COLLECTIVE WORSHIP**

We are delighted that Frances Talbot will be continuing to visit weekly to lead our Church led act of worship every Thursday at 10:30am. Frances remains in school after each Church assembly to help children write prayers in the reflective corner in our school hall. We are also grateful for students from Bishop Luffa School and a team from Chichester Baptist Church 'Open the Book' who will be continuing to visit the school on a fortnightly basis to lead acts of collective worship. This half term in collective worship, we will be exploring how our school values are underpinned by biblical principles. In the second half of

term we will be learning about the structure of the bible, key biblical characters and, towards the end of term, we will be focusing on the power of prayer. We will also be setting up prayer space in school during the last week of term.

#### WEEKLY DIARY DATES

Please do remember to check weekly diary dates to keep yourselves up to date!

Here's to an exciting term ahead,

Mr Adrian King
