22<sup>nd</sup> May 2018

Dear Parents

As part of our learning journey next half term about locally grown food, we are going to visit Natures Way Foods at the Food Park in Drayton on Tuesday 19<sup>th</sup> June. On the day the children will need to wear long trousers and comfy shoes. We will be ordering all the children a packed lunch for this day which they will eat at 11.30am. We will then leave school at 12.10pm and arrive back before the end of the school day.

During our visit we will be discovering how salad travels from 'Field to Fork'. The children will be told about how crops are grown and will have a session in Natures Way's innovative kitchen. The children will learn about healthy eating and have an opportunity to sample a selection of ingredients. They will make up their own salad bag to take home and will also receive a 'Field to Fork' goody bag.

To be able to run this exciting visit without any additional costs to you, we are hoping to transport the children to and from Natures Way by car.

Please return the permission slip below together with the attached Nature's Way health and safety form. We trust that the details you have already provided on the off-site permission/medical form are still correct, but please do let us know if any of the details have changed.

Yours sincerely

J Yelland

Mrs J. Yelland
