3<sup>rd</sup> April 2020

Dear Parents

I hope you are all well and have coped with your second week of home schooling. We have been so encouraged by the wonderful learning shared on Tapestry, See Saw, and class emails. The teachers are delighted by the creative learning that is happening at home, and the positive comments they are receiving. I am sure you will all join me in thanking the teachers for their hard work, ensuring continued excellent provision for your children.

We are now reaching the end of the spring term – the strangest term in a very long time – and will be commencing our Easter break. Over the next two weeks, teachers will not be setting work online for pupils, but the school will remain open for children of our key workers. Learning activities for the majority of children will start back up again on Monday 20<sup>th</sup> April.

Today is officially Mrs. Creswick's last day with us. We all are very sad to be saying farewell to Cherril and hugely thank her for all she has given to our school for so many years. We have agreed to organize a proper sendoff once the school is fully open again. If you wish to send Cherril a message or card, please send them into school and we will ensure she receives them.

Although sadly coming to a premature end, we thank all of you who helped run or assist a GLO activity earlier in the term. There was such a fantastic buzz around the school and the children gained so much from these additional learning opportunities.

On behalf of all the staff, I thank you all for your continued support.

**Wishing you all a safe Easter break**

Adrian King
