10<sup>th</sup> February 2023

Dear Parents and Carers,

We would like to invite you to a **maths meeting and open morning** on Tuesday 28<sup>th</sup> February at 9am. At the meeting we will share with you current research on teaching mathematics in primary school and how this links to our approach to the teaching of Maths at Lavant. We will also discuss key maths skills and share some useful documents, which will help to support your child's maths learning at home.

The meeting will run from 9 to 9:30am, at which point, we'd love for you to come and join our pupils in our classrooms around the school to see a maths lesson in practice. The lessons will finish at 10:30am; please feel free to drop in and out of different lessons throughout this time.

We really hope many of you will be able to attend this meeting and open morning, and would ask that you complete the slip below and return it to school to help us to provide sufficient handouts and refreshments.

Yours sincerely

Daniel Taylor

### Maths Meeting and Open Morning

I would be interested in coming to this workshop on Tuesday 28<sup>th</sup> February:
