Monday 21st January 2019

Dear Parents,

As part of our next learning journey (learning about living things and their habitats), we have invited Zoolab, a national animal handling company, to come to our school on Friday morning (25th January) to give the children in Pheasant Class first hand experience of handling different types of animals.

This should be a really fun, engaging session for the children, supporting their learning about animal classification. As always we have tried to keep costs to a minimum and are funding a large portion of the expense from our curriculum budget, but would really appreciate if all children could bring in a voluntary contribution of £3 to help with the total cost.

Thank you, as ever, for your support in providing these great learning opportunities and bringing your children's learning to life.

Kind regards,

Dan Taylor
