

Lavant Primary school, are you ready to **BREAK THE RULES???**

Dear Parents and carers,

On **Friday the 16th July**, we will be having a **Break the Rules** day at school!

This means that your children can come to the school and break the rules, for **one day only!** Raid those money boxes though, because for each of the rules broken, the children will have to pay a **50p fine!** They may pick **up to 5** of the following rules to break.....

- Wear trainers
- Wear a temporary transfer/tattoo
- Wear coloured socks
- Wear a football club shirt for the day
- Have crazy hair (includes crazy hair style and/or colour/hair dye!)
- Wear nail polish
- Wear a hat in class
- Have an extra 10 minute breaktime
- Bring in a cuddly toy

Please bring your cash donations in and put them in the bucket in each classroom! Please note that children should be in their school uniform as usual, unless they have paid a fine to break one of the rules above!

As you all know, we have sadly had to cancel all of our fundraising events for this year due to Covid, which has not only meant that we've had very little opportunity to raise money for the school, but it has also meant that the children have not been able to take part in the fun events that they enjoy so much. We thought a 'break the rules day' would be a perfect chance for the children to have some fun during the school day, whilst raising some money for the school at the same time.

So don't forget - break the rules, for one day only - on Friday 16th July! Each rule break will cost 50p!

Thank you for your continued support,
Best wishes

The Friends of Lavant Primary School
