

Shhh.... it's a secret.....

# This Fathers Day.....

We are giving the children an opportunity to make a **Lego themed framed picture** for the Dad/Grandad in their life!

## How it will work..

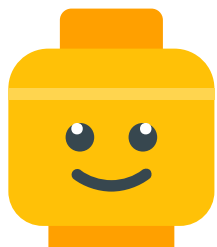

The children will be able to choose from a selection of Lego characters, and construct it with help, all within the school day. The cost will be **£5 per picture**, with an extra £2 for an additional figure in the frame (this is a good option for siblings who want to give the gift together!)

If you would like your child to make a Lego picture, please bring the form overleaf to the school office along with the correct change, in an envelope.

Our usual Fathers Day sale will still be held on Friday 17th June with gifts priced between £1 and £5 for children to choose. Any children who have made their Lego framed gifts will have them ready to collect at the Fathers Day sale, and will also have the opportunity to buy another gift if they wish.

Please see order form overleaf and images of the framed pictures.....

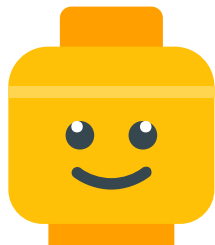

# Fathers Day Lego Pictures

Here are a selection of the designs the children will be able to choose from....

Please return your order form and money, by **Thursday 26th May**. Order form on the following page....
