

Calling all Disco-attendees

We are asking all adults attending to do a Lateral Flow Covid test before arriving on Friday

Dear Parents and Carers,

Due to the on-going uncertainty surrounding Covid, we are asking that any parent or carer attending the school disco this Friday carries out a lateral flow covid test prior to arriving.

Whilst we are really keen to be able to go ahead with our events this term, we are also very aware that Covid infections in the area remain high, and therefore we feel that is appropriate and responsible to make this request.

Please email through confirmation of your negative lateral flow test at some point on Friday, prior to arriving at the school for the disco. You can email it to

friends@lavant.w-sussex.sch.uk

Just a reminder that all parents of Wren class are asked to stay to supervise their children.

If you haven't already purchased your child's ticket, please bring £3 (exact change only please!) to the school office along with your consent form by Thursday.

We are really grateful for your support and look forward to a fantastic disco on Friday!

Best wishes

Friends of Lavant Primary School
