26<sup>th</sup> June 2020

Dear Parents and Carers,

Thank you so much for all of your positive comments following our announcement last week that we will be re-opening the school to all children for the final week of this term (12<sup>th</sup> – 17<sup>th</sup> July). A **huge thank you** also to those of you who have kindly made a financial donation to help cover some of the additional costs being incurred by the full re-opening. Your generosity really does make a big difference.

Next week we have our final film themed week in school with all learning based around the popular children's classic '**Bee Movie**'. I know that many of you will aim to watch the film as part of this learning experience, but please be assured that watching the whole film is not essential to be able to access the learning activities that will be set for the week. As part of this learning journey, we are asking **all children at home** to spend some time reflecting on the (slightly strange) year of learning they have had. This will be a great opportunity for you to chat to your child about all they have achieved this year, but will also serve as a lovely reminder in years to come of how they have coped with this unique year of learning. Please email in a short, typed paragraph (150 words maximum, written by your child) to their class email address. The writing should reflect on their learning this year and what they have achieved. Please see your child's home learning sheet for further guidance. **If we do not receive a comment from your child, the pupil comment section on their report will sadly have to remain blank.**

After next week, we will embark on our final whole school learning journey 'The Lavant Summer Reunion'. This will be a two-week learning journey with the tasks set in week one directly feeding into the activities that will take place in school during the final week. Please do encourage your child to engage in this final home learning week, as it will help them to feel fully up to date when they return to school.

We are really looking forward to welcoming all the children back for an exciting final week in school. If you have any concerns regarding sending your child in, or would like to discuss their return in more detail, please do not hesitate to contact me.

Very best wishes,

Mr Adrian King
