Wednesday 10th January 2024

Dear Y6 Parents,

Tuesday 20th February is the beginning of our annual Y6 Bikeability week, in which children in Y6 undertake their cycling proficiency test.

Children will be placed in small groups and given a morning's coaching and assessment each. Details of the course and full requirements, as well as the initial consent form, can be found in the pack provided. It is worth noting at this point that children without a roadworthy bicycle and the correct safety equipment will not be allowed to partake: See pages 6 and 7 of the Cycle Right magazine.

Unfortunately, from September 2021 Bikeability training in West Sussex has moved to a charging model, due to the loss of funding from public health and education last spring. Currently, the cost of training is £20 per pupil, but we will subsidise half of the cost per pupil to support all children in participating in this important Y6 programme.

If you could complete the consent form and payment by January 19th, it would be very much appreciated.

Kind regards,

Daniel Taylor
Deputy Head Teacher
